

Platinum Monitoring Package

Our top security cover delivers a higher level of care.

Premium quality protection with state of the art systems and highly visible patrol cars – 24 hours a day, every day of the year.

Platinum Monitoring Package

Platinum Monitoring is Coastcom Security's top of the range residential security package.

Recommended for larger residential and holiday properties containing items of significant value and properties that are left vacant for lengthy periods of time.

Coastcom Security's Platinum Monitoring gives you the peace of mind that comes from knowing you and your assets are fully protected. This all-in-one package with a 12 month service agreement, is a comprehensive protection solution that can also mean substantial savings on your insurance premium.

As the only security company on the Mornington Peninsula with an A Grade Alarm Monitoring Control Room, Coastcom Security has developed a comprehensive range of protection packages, to meet your particular security needs.

Back To Base Alarm Monitoring 24 hours/365 Days per year

Coastcom Security's monitoring gives you protection by alerting our A Grade Alarm Monitoring Control Room of any security breach occurring at your premises.

Alarm Response

In the event of alarm activation, Coastcom Security will send a Patrol Officer to check the premises and reset the alarm. If an offence has been detected, Coastcom Security will immediately notify Police and inform your nominated after-hours contacts.

Access Management Service

If requested, we will send a Patrol Officer to attend your premises to let in contractors and other visitors. Each visit must be authorised by the owner quoting a valid password.

Testing and Inspection of Security Systems

Coastcom technicians will attend your premises every six months to fully test your electronic security systems. They will provide a written service report and quote for any maintenance work required.

Weekly Patrol

The visibility of Coastcom Security's mobile patrols act as a deterrent against vandalism and break and enter. Frequency can be adjusted to suit your specific needs. Security breaches are reported immediately to your nominated contact.

On Site Keysafe

Keysafes are discreetly located on all Mornington Peninsula based properties where Coastcom Security is responsible for keys. These Keysafes can only be accessed by authorised personnel via strictly controlled mill keys.

Rubbish Bin Retrieval

When you are away from home, Coastcom Security will retrieve your emptied rubbish bins from the roadside and put them back inside your property.
